

Product Details

CL002 Flexible Linear Light

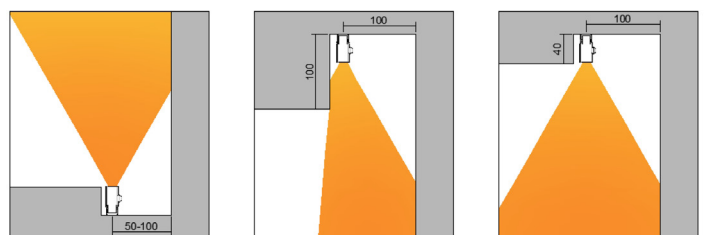

Opal diffuser, shadow-free linear lighting

Seamlessly interconnected joints

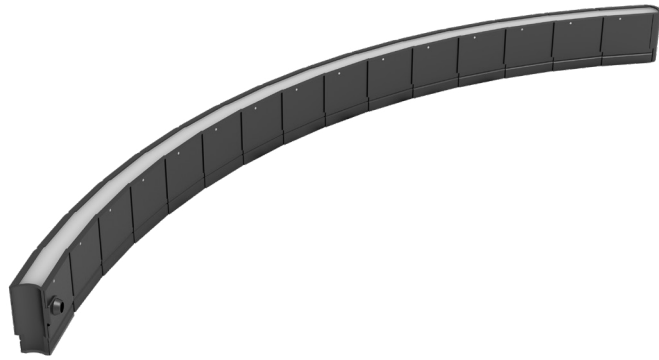

Horizontally, it can be bent to form nearly any desired curve

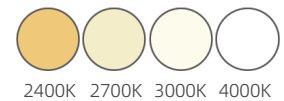

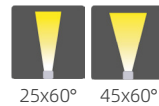

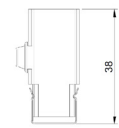

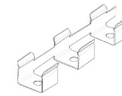

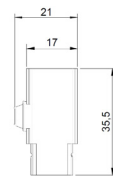

Due to small cross section design, our linear ceiling surface-mounted luminaires offer significant advantages, ensuring seamless integration without obstructing HVAC systems and other ceiling utilities.

Spec guide

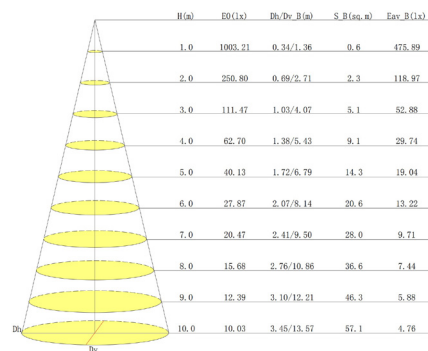

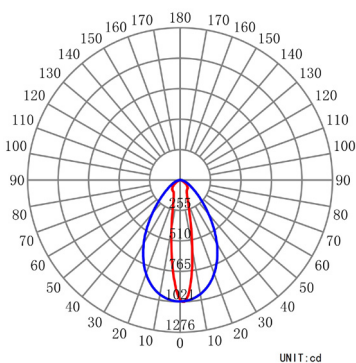

- Flexible & bendable design
- Ideal for wall washing in narrow spaces
- Wall-wash with shadow-free linear lighting
- Philips LED chips, CRI 90
- Indoor and outdoor applications, IP65 optional
